

Thank you for your submissions: the review process begins

The WGIC26 Call for Papers & Projects has now concluded. We would like to thank all researchers, practitioners, designers, and professionals who shared their work with us.

The Scientific Committee is now reviewing each submission. Once the evaluation process is complete, each author will be contacted directly and informed whether their paper or project has been selected to be part of WGIC26.

Discover the next steps in the submission and review process [here](#).

A global response from 32 countries

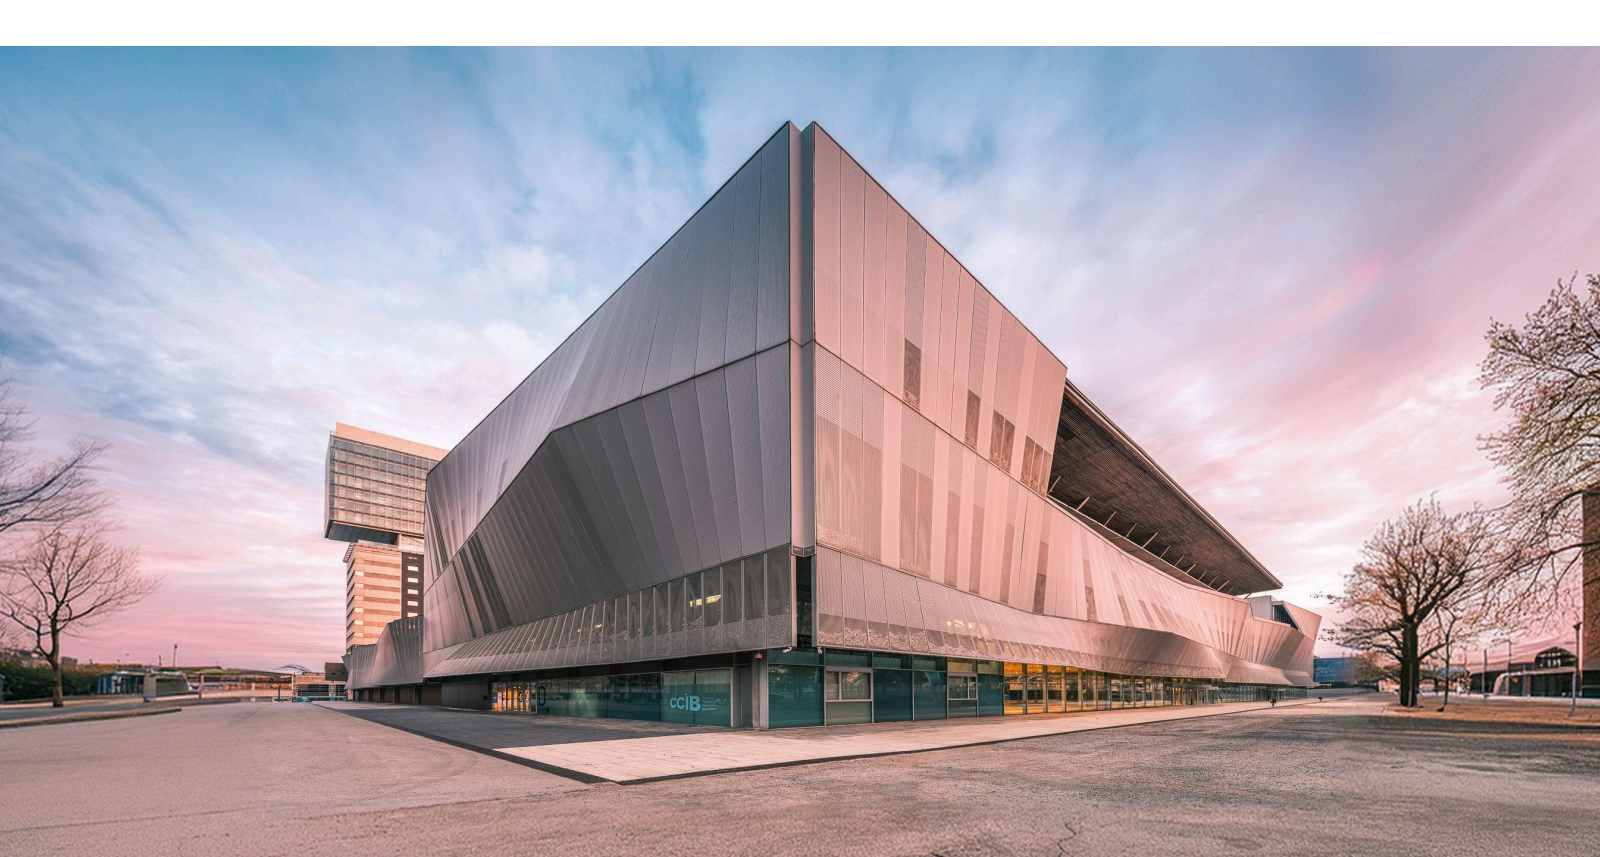

WGIC26 has received papers and projects from authors representing 32 countries across Europe, Asia, North America, South America, and Oceania.

The countries with the highest number of submissions include:

- Spain: 20
- Austria: 14
- United States: 10
- Italy: 7
- Australia: 6
- France: 6
- Netherlands: 6
- Germany: 6
- Belgium: 6

This geographic diversity reflects the international reach of WGIC26 and the growing global interest in green infrastructure and nature-based solutions.

Discover the CCIB: the main venue for WGIC26

From 27 to 29 October, WGIC26 will take place at the International Barcelona Convention Centre (CCIB), located in Parc del Fòrum.

With versatile spaces, natural light, and capacity for large-scale international events, the CCIB will provide the setting for keynote speeches, scientific sessions, exhibitions, and networking opportunities.

Located close to the beach and well connected to Barcelona's city centre and airport, it offers an ideal environment to welcome the global green infrastructure community.

Plan your visit to Barcelona and discover more about the destination [here](#).

Stay connected with WGIC26
